winner

DATA SHEET

Code	T02001.210.0102
System power consumption	44W
Light source	LED
Colour temperature	3000K Ra >80
Light distribution	diffused
Power supply	220-240V AC
Frequency	50/60Hz
Electrical configuration	dimnable (DALI/Push DIM)
Driver	integrated included
Nominal luminous flux	6550lm
Lumen output	3004lm
Efficiency	45.863%
Weight	6,9380Kg
Protection degree	IP40

Colour

matt white
